

An unbeatable school visit is getting even better ...

We're confident that no other attraction offers school visitors so much to see and do as The Rare Breeds Centre and with a winter investment in some major new attractions, things have got even better. Highlights of your visit include ...

- **Discovery Garden** - A fun way to learn about how plants grow and where your vegetables and fruit come from
- **New Walk through Bird Aviary**
- **NEW Butterfly Tunnel** (June – Sept) - Stroll through our beautiful butterflies and learn more about these fascinating creatures in our interpretation area
- **Sculpture and Interpretation Trail** - Through the woods to the 'Green Man Totem Pole' by the lake and our NEW Countryside Interpretation Lodge
- **Friendly Farm Animals** - Join the 'meet the animal sessions' and visit the NEW walk through Encounter Paddocks
- **Pig Racing** – Don't miss the highlight of any visit
- **The Mysterious Marsh** - Our fantastic 'off ground' woodland venture trail
- **Indoor Play Barn and Swing Bridge Barn** - Indoor fun doesn't get any better
- **Big Red Trailer Rides** -Through the farm and up to the Secret Lake
